SHAPING A SMART, SAFER TOMORROW

Vision for AUTOSEC 2025

To establish itself as Kerala's leading platform, bringing together the IT, Security, and Automation sectors to drive innovation, collaboration, and progress. AUTOSEC 2025 aims to empower businesses, professionals, and communities by showcasing state-of-the-art technologies, fostering impactful connections, and spearheading advancements that shape a smarter, safer, and more interconnected future.

Presented by AKESSIA

AUTOSEC Expo is proudly presented by AKESSIA (All Kinds of Electronic Security and System Integrators Association), a registered organization representing over 2,000 entrepreneurs in Kerala's IT, Electronic Security, and Automation industries.

AKESSIA is committed to fostering collaboration and excellence within the industry. Its mission is to create a sense of unity among manufacturers, distributors, technicians, and system integrators while empowering members through training and skill development programs at local, regional, state, and national levels.

AUTOSEC Expo 2025:

Kerala's Premier Event for Security, Automation, and IT Networking.

AUTOSEC Expo stands as Kerala's only specialized exhibition dedicated to showcasing cutting-edge products and services in IT, Security, and Automation systems. This highly anticipated event serves as a platform for industry leaders, innovators, and professionals to explore advancements in surveillance cameras, access control systems, biometric solutions, home automation systems, and smart city technologies.

The demand for refined surveillance and security solutions in India has surged over the past decade, driven by the need for heightened safety and technological innovation. AUTOSEC Expo 2025 is designed to meet this growing demand by providing a comprehensive platform for networking, collaboration, and knowledge exchange. It offers unparalleled opportunities for companies, MSMEs, and industry professionals to connect with potential customers and partners while showcasing their latest products and solutions.

Attendees can look forward to discovering the latest trends, advancements, and applications in the fields of IT, security, and automation. The event caters to a diverse audience, including businesses, government entities, and individuals seeking to leverage these technologies across various industries and settings.

A Biennial Gateway to Innovation and Growth

Organized every two years, AUTOSEC Expo aims to elevate the business prospects of its participants while enhancing their industry knowledge. The 2025 edition aspires to bring together buyers and sellers from Kerala and across India, fostering meaningful interactions and business opportunities. By creating a unified platform, AUTOSEC addresses the evolving needs of the safety, security, and automation sectors.

Previous Exhibitions

Our journey with the expo began in 2017 and has continued every two years since. The inaugural event took place in Calicut in 2017, followed by the second expo in 2019. The third expo was successfully held in Cochin in 2023. Each of these events featured over 80 stalls and attracted more than 3,000 entrepreneurs over the course of the 2-day exhibition and seminar. These exhibitions have played a pivotal role in driving growth across Kerala's electronics, IT, security, and automation sectors.

Advertising Media for AUTOSEC 2025

To maximize the reach and impact of AUTOSEC 2025, we are employing a variety of advertising platforms, each tailored to engage our target audience effectively:

Radio Advertisement:

Catchy audio ads aired during peak hours to captivate listeners across different demographics.

Metro Pillar Hoardings:

Strategically placed hoardings on metro pillars to attract daily commuters in high-traffic urban areas.

WhatsApp Promotion:

Community groups, Direct and personalized outreach through WhatsApp messages, ensuring instant engagement and response.

Digital Media Marketing:

Leveraging social media platforms and online campaigns to create buzz and drive traffic through targeted ads and engaging content.

Flyer Distribution:

Handouts distributed in key locations to provide direct information and build awareness among potential attendees.
